

# *The Spirit Of Love*

Lyrics by Ron Miller - Music by Randy Klein

His hero is pain - In a world that's insane  
There's so much we don't understand  
The boy's only ten - He thinks hate is a friend  
But didn't we all put that gun in his hand

You touch his heart - I'll touch his soul  
A child needs some hope - like a hand needs a glove  
It's time for the spirit of Lo-o-o-ove  
Time for the spirit of love

You can't always tell - The right from the wrong '  
When life puts your back to the wall  
His Mama is lost - And his Daddy's been gone  
But nobody's child belongs to us all

You touch his heart - I'll touch his soul  
A child needs some hope - like a hand needs a glove  
It's time for the spirit of Lo-o-o-ove  
Time for the spirit of love.

Somewhere in the street tonight  
A child is gonna die  
Lord he must feel so alone  
But damn it all we ever do - Is sit around and cry  
Let's take the streets back and bring our kids home why don't

You touch his heart - I'll touch his soul  
A child needs some hope - like a hand needs a glove  
It's time for the spirit of Lo-o-o-ove  
Time for the spirit of love.
