Dear Parents and Students,

Presenting our February-March newsletter! Hopefully Spring is in sight! Recital preparation is underway in all our classes. Students are continuing to work on technique and recital choreography, which has my staff as well as our students excited! Our 15th recital in June, "Express Yourself" is sure to be nominated for an award by the press. Ha! Attendance is important for all students. Always remember makeup classes are encouraged no matter what time of year. Dancers can walk away learning something from each class and teacher.

February brings our P.A.C team to the stage at competitions! Our schedule is posted on page 3. We would love to have your support. Our hard work that has been invested since August will leave a lasting impression on any dance fan. Come see for yourself. Maybe this is the route your dancer wants to take in the future? Check us out!

Dancing with friends is fun! Remember, we are always accepting new students. Referrals are always appreciated! And will benefit you with a 1 month tuition credit! Anyone who is pleased with Perfect Pointe is encouraged to "Rate & Review" us on our studio **FACEBOOK** page, Google, and Yahoo. The best way for parents to find out about a program is through others who have experienced it! Thank you in advance for your testimonial. Make sure you "Like" our page on **FACEBOOK** too for lots more studio information!

Spotlight On Acro Instructor Shannon Tobin

Shannon began dancing at the age of three, where she took classes in ballet, tap, jazz and acro. She then moved on to become a competitive gymnast until high school graduation.

From 1997 to 2004, she taught ballet, tap, jazz and tumbling classes at the former Sussex County Dance Academy. In 1999 she began coaching gymnastics at Shield's Gymnastics of Mt. Freedom, where she created her own competitive JOGA gymnastics team. In 2002 she graduated with an associate's degree in dance and fine arts from Morris County Community College after completing courses in ballet, modern dance and choreography. She used this degree to begin choreographing gymnastics floor and balance beam routines for her own gymnastics team and several other gyms in the Morris county area. In 2004 she began working at Randolph Gymnastics where she coached teams in USAIGC and USAG, a Junior Olympic program. These teams went on to win many team and individual state and national titles including being ranked 2nd in the nation in 2008.

Currently Shannon still coaches competitive gymnastics. She resides in Byram, NJ with her husband, Scott, her 4 year old son, Tanner, and her 7 year old daughter, Ashlynn, who is a gymnast and competitive dancer.

Snow/Inclement Weather Closings-

Please note that our studio snow cancellation policy is as follows:

Safety is our number one concern! Our decision is made in the morning or early afternoon.

We recommend that you call the studio, visit our website or look us up on Facebook to check if the studio will be open or closed.

If classes are cancelled, you have the option to make up a class in any style of dance that best fits your schedule.

Tuition- Tuition is due the 1st of every month. There will be no reminders sent home. There will be a seven day grace period after which a **\$10.00 late fee** will be applied to your account. If an account becomes past due for 2 months, the student will not be able to take class until the tuition is paid. Automatic payment is available. Please leave your desired credit card information with the office. You can pay by cash, check or any major credit card including American Express! With the installment plan option, your payments will be due at registration, November 1st then last payment for the year is due December 1st. Please mark your calendars for payment due dates!

Pick-up- We ask kindly that all parents or guardians are at the studio on-time to pick up their child from dance class; most importantly the last classes of the evening. Please avoid loitering on the premises after your child has been dismissed from class. If you are going to be running late please notify the office by phone and advise your child to wait in the front lobby until you arrive. Thank you for your cooperation

Dress Code- All enrolled Perfect Pointe students must follow our dress code policy from September through June. We feel if one is dressed professionally for dance class along with their fellow

students, one will dance professionally in class. Remember ALL HAIR MUST BE PULLED BACK and out of the dancers face when in the classroom!!! NO T-SHIRTS or BAGGY clothing will be tolerated in any dance class besides Hip Hop. **All Creative movement, Kinderdance, and combo classes need to be in black or pink leotard, pink tights, and proper shoes.** Any questions on dress requirements please call the studio or check our studio website under policies.

Make-up Classes- Classes are available to make-up up to one month after your child is absent from their regularly scheduled class. **Please call the studio if your child is not going to be able to make it to their regularly scheduled time.** You can check online or call the studio for an appropriate make-up class that best suits your child!

Cubbies and Locker-room- We ask that no dancers leave dance bags, shoes and other personal belongings on the floor. This is an easy way for things to be forgotten and get mixed up with the chaos between classes in the waiting area. Please make use of the cubbies in either the front or back of the studio. **Please label all dance shoes, especially the younger children with the**

child's name on the inside in permanent marker!! Always clean up after yourself and others. No locker room messes will be tolerated! Please remember to use inside voices while other classes are in session. Keep in mind; students use this space to do homework and study. Please be respectful of each other.

Arrive early to class- Arriving to the studio exactly at the start of class is not considered being on time. All students should try to arrive ten minutes early to get shoes on and make sure they are 100% ready for dance class. All classes including our baby classes will start on time. **Please call the studio to inform us if your child is going to be late.** We do understand there may be traffic or other instances that may make you delayed. If your child enters the class late, please advise them to do it in a quiet and courteous manner, so there are minimal distractions for the students already in progress.

Wi-Fi Available

For your convenience the studio does provide Wi-Fi. The password is 9733835274
