Make Up Classes 2017-2018

If your child is absent from their regularly scheduled class, we encourage you to bring them to a Make Up Class. We ask that you take your Make Up class within a month of your original absence. Please call the studio if your child is not going to be able to make it to their regularly scheduled time. You can check our website or call the studio for an appropriate make-up class that best suits your child. Most likely, the exact class will not be available to take for a make-up, however this would be a good opportunity for your child to try a different dance genre or to be challenged at another level.
